

LE CABERNET - SAUVIGNON

Known around the world, the Cabernet-Sauvignon is a famous variety of Bordeaux.

Here in the Languedoc, the cabernet-Sauvignon gives elegant and subtle wines, a beautiful red color, with tannins lightly present but balanced.

Appellation

IGP Oc.

Grape variety

Blend of old vines of Cabernet- Sauvignon and a new vine of Cabernet Franc.

Age of the vines

15 and 50 years

Terroirs

Old decalcified terraces and soils slope of sandstone and sand.

Mode of driving the vines

Cordon de Royat et Guyot.

Yield

35 hl/ha.

Vinification

The grapes macerate in whole berries for at least 20 days at a controlled temperature (25°). The tannin extractions are conducted gently and in the presence of oxygen.

Elevage

In concrete vat.

Tasting notes

The Cabernet Sauvignon develops finely spicy aromas, with always a side red fruits and roundness. As it ages, it gains in the complexity of aromas that reveal notes of cedar and tobacco.

Food matches

Its tannic structure and power allow it to accompany beef ribs and
